

Equipped with four caster wheels for smooth,
360-degree mobility in any direction!

Things to Note

- There is no protective covering, so do not insert anything that may cause damage.
- Do not use the suitcase as a seat.
- Please be mindful of people and objects in the surrounding area when moving forward. In the rare case of trouble such as an accident or damage, our company will not be held responsible.
- Avoid operation on uneven surfaces.
- Be careful not to get your fingers caught when raising or lowering the steering control.
- Do not lean against this product, as it could be dangerous.
- This product includes small parts, so be cautious that they are not accidentally swallowed.
- Carry valuables, cash, etc. on your person for safety.
- This product is partially made of PVC.
- After creating your password, be sure to write it down so you do not forget it.
- If customers under travel insurance experience damages (excluding deliberate damage, scuffs, scrapes, or soiling) they should contact the applicable insurance company for assistance. Customers with a suitcase damaged while under the care of an airline company should promptly contact the applicable airline company for assistance after retrieving their baggage.

Storage

- If the surface is dirty, wipe it clean with a cloth slightly-dampened with neutral detergent. (Do not use volatile substances such as benzene. Doing so may damage the material.)
- After removing the dirt and drying away from direct sunlight, store in a well-ventilated area.

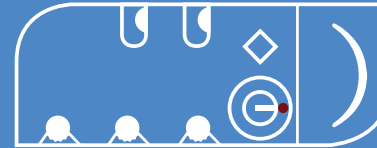

Size, load capacity (confirm the size of the product you purchased)

L Size	Approx. 68 cm x 48 cm x 27 cm	18 Kg
SS Size	Approx. 53 cm x 34 cm x 22 cm	15 Kg

- Please contact the applicable airline company for details on size limits for luggage allowed on board.
- Do not fill the product above its load capacity.
